

## DAY 29: SELFLESSNESS

"There was a man walking along a beach at low tide. He spotted a person walking along, picking up starfish stranded by the retreating waves, and throwing them back in the ocean. 'Hey, it's no use. There are thousands of starfish on the beach. What you can do won't make a difference.' Picking up another starfish and throwing it back, the person replied, 'It made a difference to that one.'"
